Abstract Submission Guidelines

- *Submission*: Abstracts must be submitted online through the abstract submission system on the TCS website.

- *Category:* Each abstract should indicate the category under which the abstract is submitted (basic research or clinical)

- *Author details:* Each abstract should mention the name, degree, institutional affiliation, address, phone number, and e-mail address of the presenting and the corresponding authors. Name and institutional affiliations of co-authors must be provided.

- *Contents:* The abstract should contain a crisp and self-explanatory title. The content of the abstract must not exceed 300 words, excluding the title, authors' names, and authors' affiliations.

- *Structure:* Structured (sections such as background, methods, results, and conclusion) or unstructured abstracts may be submitted.

- *Figure:* One figure may be submitted along with the abstract (a composite image can also be accepted)

- *Abbreviations:* Only standard abbreviations may be used in the abstract after using the full name at the initial mention of the term.
